Tribute from Jesse Norton

Relation: Friend

Sending my condolences to Dwayne's family and friends. I was very sad to hear of his passing. I never knew him well but always enjoyed a good chat with him at places he worked around town. I have memories of him as far back as can remember growing up in Oliver. Always seemed to be in a good mood and happy to help anyone any time. Often a run in with him would lift my spirits if having a bad day. I will miss visiting him at grower direct on my frequent stops there. The community has lost another great man. RIP Dwayne!
