### **Tribute from Muriel MacLeod**

Relation: niece

So hard to believe that Aunt Edna is gone. Our thoughts are with Art in his loss of a partner. Also so sad for cousins. Very hard to believe that my Mom is the last one standing in the family. Mom struggles with that every day and cannot imagine her big sister is not with us anymore.

Sincerely, Niece and cousin Muriel

### **Tribute from Ravin Wynters**

Relation: Aunt

Aunt Edna was always a favourite Aunt of mine with her wonderful sense of humour and zest for life. She was responsible for giving my Mom an old Heintzman piano from the school house where she taught just outside Minnedosa, MB. I am sure I never would have learned how to play, if it wasn't for her generous gift. She also made time to come to Swan River to see me perform at the "Call of the Wild" festival. She was always interested in our lives and activities, enough though she had a very busy life with her own family. Edna loved her computer and kept busy keeping in touch via email with family and friends. We will all miss you Aunt Edna and thanks for the memories!!! Our thoughts are with all the families.
