Elaine was a true lady who made everyone feel so welcome. Her knowledge of the local history was incredible and she shared it so honestly and willingly. She was extremely proud of her family. I am so very sure there are many great memories that the family and friends have and share in honour of Elaine.

My thoughts are with you all.

**Tribute from Brita Park**

Relation: acquaintance

You chose a perfect picture to go with your mum's obituary. She was a beautiful person-- to the core

of her being! Every casual friendly chat with her at community events or wherever, would feel like a gift. She embodied kindness, strength, wisdom and energy. She will be missed by the whole community, including by me. Thinking of you, Larry, and Jan, with all your family, whose lives were so enriched by her presence in your day to day. A sad time, intertwined with deep gratitude for having been gifted with this particularly wonderful person as mother and grandmother!

Deepest sympathy,  
Brita
