Tribute from Robin Pinchak

Relation: She was my Aunty Dad's sister

This is so hard to read, as this beautiful lady was my Aunty and I was so blessed to spend my summers at their house growing up. Best memories I've had of my childhood was Lenny and Ronnie and all the fun thing's we did. My Aunty was a classy but oh so real lady, who loved family time and always showed it. I will miss our yearly visits and great laughs to this day we always spent time together Love you xoxo and cherish my memories

Tribute from Bertie Whiskin

Relation: Friendly acquaintances

I was so sorry to read about Elaine's passing in Skaha Matters. I didn't know Don and Elaine well, but always enjoyed chatting with them whenever we bumped into each other. They were a very warm and friendly couple. My condolences to Don and the family.
