Lovely tribute to such a special person. She was the best of friends-always caring and we loved visiting and reminiscing about our 20 year friendship! I hold her quilt she made me when I was diagnosed with Cancer each day on my chair. So sorry for your loss ,we all knew what her family meant to her!

Our thoughts and prayers are with you Gord. Elaine was my mom away from home. Her hospitality, kindness and advice helped so much to get me through those early years of being on my own. Gerald and I have so enjoyed the many visits with you over the decades. She will be missed greatly.

**Tribute from Irene Anderson**

Relation: Friend

I find it hard to fathom that I will no longer see Elaine when I return as a snowbird to Palm Desert Greens. I came to know her as a truly wonderful, kind and caring lady who always treated others with warmth and kindness. Her thoughtful nature and gentle spirit will be remembered by everyone who had the privilege of knowing her.

Please accept my sincere condolences during this very difficult time. I hope that the many beautiful memories you shared with her will bring comfort and peace in the days ahead.

With deepest sympathy,

Irene
