

REMEMBERING
Elizabeth Betty Persinger

March 18, 1933 - January 7, 2011

Tribute from Nunes-Pottinger Funeral Service Staff

Nunes-Pottinger Funeral Service Staff send our condolences to family and friends. Our thoughts and prayers are with you all.

Tribute from Don Clark

Relation: 'Mom'

Betty was a second Mom to our family. She was the poster child for 'think positively'. Every conversation with Betty ended with "Life is Beautiful". We are blessed that Betty and Maynard became such a large part of our lives. And that legacy carried on to our children with 'Nana Betty'. Betty, you have left us with a wealth of memories that will hold you in our hearts forever.

Tribute from Debby Carson

Relation: Mom

"Just being born is a miracle,
to grow and make a difference in this
wonderful world, is grace indeed...
... but to live a life that touches others
is amazing beyond compare."

Betty, Nana, Great-Nana; you have touched our hearts and souls.
You will be missed, but not forgotten.

Tribute from Kim Maloney

Relation: Nana

I think the greatest lesson I've learned from my Nana is to think positively no matter what the circumstance & don't be afraid or ashamed to say what you're feeling. I'll take that lesson with me forever, along with the memory of Nana

Tribute from Murray and Glenda Silk

Relation: Friends

Glenda and I send our thoughts to Maynard, we are certain Betty is in a better place and pain free. We will see you soon.
