Relation: Aunt

My thoughts and prayers are with you all at this difficult time,

I have so many fond memories of Frances over the years. She lived next door to Grandpa. I would go over when I was little and chat her up in the kitchen sitting on her wooden stools. She then met my uncle Howard and they married

And then she was a big part of our family went on many fishing trips with them. And my mom and dad. I remember spending time with her and Howard at the curling rink in a osoyoo, s, fun times!!!

I will cherish the memories and she will always be in my heart
