Freda was alway a joy to visit and spend time with, I will miss her deeply. Will miss the laughing, and the reminiscing of days gone by.
She was always a special lady to me.

Tribute from Judy and Lionel Dallas

Relation: Knew over the years

Recently saw Freda during a visit to my husband at Mariposa. She looked well and we talked about us chatting on her way up and down the street walking and latterly with her walker. She was a truly down to earth lady with great outlooks and community dedication. Her family will have many, many stories to cherish.

Tribute from Gloria Spooner

Relation: close friend

My deepest sympathy to Freda's family and other close friends. Freda will always be in my heart and I will think of her on a daily basis as I am sure her family will. She was a pillar of the community and I am so happy I had her in my life. RIP Freda I love you
