Tribute from Nunes-Pottinger Funeral Service & Crematorium Ltd.

The Nunes-Pottinger Funeral Service & Crematorium Staff send our condolences to family and friends.

Tribute from Margot Newton

Relation: Friend of his daughter, Ellen.

Dear Ellen. Your Dad sounds like he was a wonderful fellow who had a happy, full life and enriched the lives of those around him. Deepest condolences to you and your family.

Tribute from Elayne Lockhart

Relation: First cousin

I was sad to hear of my cousin Walter's passing. I had always appreciated his interest in his family history so it was a joy to be able several years ago to tour several family locales in England and Ireland and introduce him to one of our cousins. He was so interested in everything around him and was always in great spirits and full of fun. He spoke often and fondly of his children of whom he was very proud. I am so happy that we had this special time together. Will be thinking of his family with love and appreciation.

Tribute from Edda Rott

Relation: My favorite client and friend.

My deepest sympathies go out to you and your family.

A person that departs from this earth never truly leaves, for they are still alive in our hearts , trough us, they live on.

My condolences,

Edda Rott
