**Tribute from Brandy May (nee Else Blonk)**

Relation: Long-time dear family friend

Dear Brenda and Family, It is with much sadness that I am just reading of your dear mother's passing. She was such an inspirational woman, bearing her own pain in silence while always focusing so generously on the needs of others. I will always remember her beautiful smile, cheerful disposition, and eagerness to help others. She was treasured by the St. John's community as well, and I last told her that she is like a special aunt to me. I share your sense of loss, and wish her a steady and trusting flight to eternity to join Chester.

The days ahead will be so poignant and "raw" as you grieve her passing. I am with you in spirit. She treasured her family, and often said how grateful she was to have your love and devotion. She certainly made this old world kinder and warmer with her generosity.

Love and light,

The Blonk Family

**Tribute from Trish Craik**

Relation: visitor to Sunnybank

Dear family, I was sad to learn the news of dear Frieda passing. She was always offering a smile and greeting to my mother Pat McKay at Sunnybank. Mom's disability prevented her from returning the greeting most of the time, but she loved the attention. Frieda's friendly spirit and personality were a delight, and she will be missed.

**Tribute from Denny Bastian**

Relation: Aunt Frieda

RIP Aunt Frieda. I will always remember the fun times I had with your son (Cousin) Jamie both in the

orchard and at the Gallagher Lake Campsite.
