Tribute from Brian Schroeder and Jenny Ayers

I spent seven years working beside a happy, hearty, warm colleague at the Penticton Golf course. OJ brought so much joy, laughter and love of life to everyday activities and to those who worked with him. I'm sure that our sense of loss is only magnified by the hundreds for those who spent a too short lifetime at his side. He was a special special man who brought joy to all around him. Please accept our deepest sympathies and thank you so much for sharing him with us.

Tribute from Bonnie Black

Tribute from Kevin Krueger

Relation: High School Friend

Always sad to lose a friend. OJ was always able to make me laugh and smile. Whenever I would see him I would ask him, "Are you Clint Eastwood" and he would give his best imitation. Although it had been too long since we had talked, he will never be forgotten. My condolences to the family.

Tribute from Marg Eyre

Relation: Friend

Dear Maureen and Tate,

I hope you remember me from Princeton.

I just learned of this sad news.

I won't say 'I know how you feel',

because I don't,

But I will say that I too have lost someone I love very much,

So I understand.

If you'd like to get together for a visit, coffee, whatever Maureen, please don't hesitate to call me.

Very sincerely,

Marg Eyre. 250-492-3572
