Tribute from Nunes-Pottinger Funeral Service Staff

Nunes-Pottinger Funeral Service Staff send our condolences to family and friends.

Tribute from Lorna Penner

Relation: Friend

Very sorry to hear about George's passing. I have very many great memories of Carol and George. I miss those fun times.

Tribute from Paul, Barbara, Stephanie and Brennan

Relation: Friends/neighbours

We first met George over twenty years when they hired 8 year old Brennan to shovel snow and help George out. George liked to pretend he was a tough and grouchy boss but we all saw through him right away. It was the start of a long friendship between our families and he will be missed. Our condolences to the family.

Tribute from Mary and Anthony Cooke

Relation: Have been friends with Carol since 1972, then with George as well.

Too many years to count, with so many wonderful and humorous times together, along with the sad. George was the kind of man you could count on, and always had a witty comeback for anything life threw him. When we last saw George in June, he spoke of seeing the light and not being afraid of death. We felt privileged to have this conversation with him, and we know he is at peace and with Carol once more and this time for eternity. George was a very kind man who would help in any way he could, even to giving me a saw for Christmas so I could cut my tree evenly the next year without having to borrow one. He told me every woman should have one. Our sincere condolences to all of you who are family to George.

Tribute from Jane, John & Chloe Bisaro
