Tribute from GAYLE McLeod

Relation: daughter

Dad, I just want you to know how much you will be missed. You were an inspiration to all who knew you. Be at peace with Mom and you both will always be in my thoughts each and every day. Love you lots. Love your daughter GAYLE.

Tribute from Lori Olson

Relation: friend

Though I knew you only for a short time, I am grateful for those visits. I enjoyed your charm and company and admired your strength and sense of humor, at a time when most of us would not have either. You gave me the feeling of having a Grandpa again and I will not ever forget you. I am glad you are not suffering any longer, and that you are at peace now with the woman you love.

Tribute from Warren Craig McLeod

Relation: Grandson

Hey Young Fella, I'm going to miss you calling me your "Number 1". I'm going to miss your sense of humor, which I like to think I inherited from you. I obviously inherited good genetics from you—because we were shaped the same! I just hope I can still make you proud in years to come. I love you and will miss you always. Love, your Number 1

Tribute from Tara Young
