**Tribute from Michael Matich**

Relation: My God Father

There are not enough words to express my feelings. I will cherish all the moments over the years thinking of family visits with brother Gary, Mom and Dad (Smiljka and Tony). There are so many, but staying at the Bella Villa always stand out to me. The Mahovlic's were always the ultimate hosts. Knowing Kum George since the day I was born has been my honour.

Your God Son Michael

**Tribute from Jennifer April Matich**

Relation: My husband is Michael Matich and George was his Godfather.

We are at a huge loss with the loss of such an incredible man, George. My best memory of George is picking grapes from his vines and helping out with the making of wine. George always made us laugh at his stories, as only he could tell with such ambition. Rest in the arms of the angels.

**Tribute from Marilyn Foster**

Relation: Friends with Lorrie

Sending our sincere condolences to Lorrie, Meghan, Mrs Mahovlic and the entire family. We feel honoured to have met George and his wife at their home in Osoyoos a few years ago. We certainly felt the love for family and all those around him. Treasure all the beautiful memories he made for each of you. Much love from Marilyn and Marv

**Tribute from Annie (Cindrich) Kaps**

Relation: childhood friend

The Mahovlic family was always a presence in the rural 1950's Surrey. We visited their huge house on the hill in New West; and, always, there was music, laughter and hospitality. As the years passed, whether in Tulameen, Osoyoos, or the Lower Mainland, it was laughter and fond childhood memories which brought us together. The community has lost an iconic member and we grieve for the monumental loss to Vi, Lorrie, George, David and their extended family(ies).

....."As long as we can love each other, and remember the feeling of love we had, we can die without ever really going away. All the love you created is still there. All the memories are still there. You live on in the hearts of everyone you have touched and nurtured while you were here." (Album/Schwartz)

**Tribute from Dorothy C Taschuk**

Relation: George was my cousin and wonderful friend.

Dear Vi and family,

Sending you my most deepest sympathy for the passing of your dear husband, father, grandfather & great grandfather, George. Our lives have been so blessed to have known George and all of you over the many years. Our trips to your home always left us with being filled with much love and hugs that will be forever remembered along with your most wonderful hospitality.

I feel so much and understand your loss, but know that we have all gained so much from being a part of your family and thank you that I was able to partake in his mass via live stream. Thank you so much for that!

Bob's & my marriage was so blessed in 1963 having you both here in Port Alberni so many years ago when George was our master of ceremony. His gentle and loving spirit filled each of us with the joy he put forth and the wonderful humor he shared so easily bring much laughter to us all!

Sending out to you all so much love, prayers and hugs as you carry on without him, yet his memory will linger on forever in yours and my hearts. May God bless you in this change knowing George is now resting in the Peace of Christ and the loving arms of our Blessed Mother, Mary and with all our family there, too.

In warmest love, Dorothy Taschuk
