Our condolences to you and the family Moira from all of us who recently were blessed enough to find you and George in Oliver and get to spend some very precious time with you before George's unexpected passing. My Aunt Susan so happy to find him! You were both so welcoming and kind to a bunch of crazy ladies who invaded your life with a phone call and a visit the following day! My Auntie's were also so very blessed by your visit to Cawston. Our thoughts and prayers are with you and we look forward to seeing you again soon Moira
