Tribute from Peter Hadikin

Relation: Uncle

I would like to pass on my deepest sympathy in the loss of you husband and father. I have many memories of George from growing up in Midway and they are all so great. I can recall fishing with George at the far end of Jewel Lake years and years ago and enjoying the talk and friendship. Recently I spent an afternoon with George and my dad Pete in the summer of 2008. It was a great afternoon and I got a chance to listen to many great stories of the 'old days'.

When the pain of you loss diminishes with time, you will all be left with many, many special memories.

My heart is with you all, Peter.

today was a wonderful tribute to mr. sherbinin. it was so great to see the photos and hear the stories of his life. i loved the pictures taken at the cabin. my favorites being the ones of him raking the beach. he often crossed over to our side and took care of some of our weeds. i don't think that our beach will ever look the same! i will miss his smiling face. please know that my thoughts are with you. see you at the beach. tanya

Tribute from Drewery (Drew) Dyke

Relation: Relationship: Godfather

Dear 'Uncle' George! I will certainly miss you. You took good care of me, your Godson, with thoughtful gifts, one or two leisurely fishing trips, taking while I was a child; and later, as an adult, visiting you and Maxine and other family in Osooyos, over a beer and dinner. And dear Maxine, my deepest sympathies to you and all the Sherbinins. From the little I knew of 'Uncle' George, and from the account of my dad, Lorne Dyke, it seems that his life was also one that we can celebrate and cherish; embodying the values that make lives richer. There was so much more I wanted to ask - about his Russian heritage, the Doukhobors, the lumber industry; living in Midway and much else besides. I will do so now by way of quiet prayer. My thoughts are with you all, Maxine. God bless and farewell, 'Uncle' George.

Relation: long time friend

Dear Maxine, Carrie, Al, my dear friend Jill, and David; my dad called tonight (Apr. 17) and told me that George had passed. My heart goes out to all of you. I have so many memories of life in Midway. Your family is such a big part of all my memories and George is front and centre. He was such a character and so funny. His love of life was apparent. You are all in my thoughts during this difficult time. Hugs to you all. Jen
