### **Tribute from Judy and Lionel Dallas**

Relation: Friend of family

He is amongst a garden full of the flowers he loved so much with his tunes just filling the air and enjoying every minute of the peace there. Those who have gone before him will be there to greet him and welcome him. Remember the years you had with him with love and good memories and know he will always be with you.

### **Tribute from Amber & John LePage**

Relation: Friend

John and I were so sad to hear of Gary's passing. He was an amazing man always ready to help out. We will miss his smile and friendship. We send our deepest sympathy to his family. Perhaps they are not the stars, but rather openings in Heaven where the love of our lost ones pours through and shines down upon us to let us know that we are happy.

### **Tribute from Anne Klausmann**

Relation: Cousin with family

"And my soul stretched its wings out wide, flow through the silent lands as though it were flying home."

J. Von Eichendorff

Be happy Garry.

With love from your Family in Sexau, Tante Anna, Gretel, Rüdiger, Anne, Michel, Hans, Felicia

### **Tribute from Nicole**

Relation: Friend

I spent a few months with him. Watched him get very sad, then happy. It was hard to watch such a nice man fall. He saved me from the cold streets and there was nothing I could do for him. I just know that he is where he wanted to be. I believe. Thanks Garry for my life today.
