Tribute from John Karnish

Relation: I grew up in Osoyoos

GLEN TWEEDY: WHAT A GUY.

You would have to look far and wide to find someone comparable.

Osoyoos has lost another legend. Glen and the other legend (Terry Yusep) are probably up there playing poker and maybe even golf.

Half a century ago I worked one day for Glen cutting Christmas trees with my brother Steve and my friend Finney on Anarchist mountain. It was a memorable experience and a fun day. I think about it fondly every December.

Glen, everyone knew you. Everyone liked you and admired you, probably because you had such a wonderful wife, IRIS. You were and are both special.

Glen you are an important part of Osoyoos History who will never be forgotten.

YOU HAVE MY RESPECT, ADMIRATION AND LOVE.

John Karnish - Oakland, California
