Tribute from Ginelle and James Band

Relation: Neighbour / Friend

Regretably, we knew Gordon for far too short a period of time. In the two years since he has become our neighbour, we were totally amazed at his strength and determination to live his life to it's fullest regardless of any sickness or disabilities he might encounter. He really demonstrated the power of the human spirit each and every day in his home, his garden and his interactions with family, friends and loved ones. It is that spirit we will miss the most along with his smile, his thumbs up when he could no longer speak, and the strength in that final hand shake that said "bring it on"! Rest in Peace Gordon, your Spirit has taken wings with the Angels!

Tribute from Laurie, Doug, Chelsea, Carly and Rebecca Simpson
