Tribute from Jim MacNaughton

Relation: friend

Dear Thelma- it was not great news to go on the Nunes-Pottinger web site and find out that Gordon had died- I guess even though I don't live in the Okanagan anymore(now in Saskatchewan) you and Gordon are on my " will always be remembered "list.. We had some great laughs along the way, some very " tall" tales and discussions that took in religion , politics and horses and between the three of us, drank enough coffee to sink a ship- I will miss Gordon and wish I could have been there for you in a ministerial and friend capacity, but that isn't possible as we are just starting harvest- my thoughts, love and fond memories are with you always--- lots of love and Blessings--- Jim

Hi Thelma, Seems like it was only a couple weeks ago that I saw the two of you at the grocery store. I had no idea that Gordon was not well. May he rest in peace. I just want you to know that I am thinking of you. My prayers are with you.
