Tribute from linda gardner

Relation: friend

Grant was a dear friend and I had hoped to have spent more time with him as my husband and I just moved here to Oliver to do just that. Now that time has been taken away we must cherish the memories of the time we did share. Maureen my heartfelt condolences go out to you at this time of losing the one you loved with all of your heart. I will always be here for you my dear friend.

Tribute from Howard & Margie Moody

Relation: Friend

Grant Bott was my best friend. I met him when I was a green firefighter and he was the wily vet; he teased me, ran me ragged but we had a beer together at the end of the shift. He did so much for Margie and me, we will never forget his generosity and his kindness. We really loved Grant. Our love to Maureen, Julie and Rob.

Tribute from Randy Heath

Relation: Co worker

To the Bott family and friends,

Our thoughts and prayers go out to you all during this very difficult time.. Grant, better known as "Chief Bott", was a tremendous mentor and training chief to many of West Vancouver Fire Fighters. I my self had the privilege of having Chief Bott as my training chief when I started in the fire department back in

1989 and like many, will always be thankful for what he taught us.

Sincerely,
WV Fire Chief,
Randy Heath

Tribute from george shepherd

Chief Bott was my training officer upon my hiring. Sorry to hear of Grants passing. Always remembered.

Tribute from Brian Mapplebeck

Relation: friend

Grant was a gifted craftsman who made wonderful works of art from wood such as address signs and even a cross. I first met him in 1989 when we performed "Cinderella". He designed the set and the poster and even made a period table and fire place. Grant was very generous who renovated our bathroom and even provided some cupboards he had on hand. I also remember the making of actual and movable dinosaurs at the Oliver community centre for Scareview on Oct 31st one year. It was great to know him and he will be fondly remembered.

Tribute from Laurie Gisby

Relation: He worked with my husband Ken in the fire department

No words can express your loss. Please except my condolences.
