Tribute from Jeffrey Pollitt

Relation: Friends beginning in 1957.

I write this with a heavy heart and send my deepest condolences and hugs to all the family. I'm so sorry that I couldn't get to Osoyoos to see my two "oldest" friends, Greg and Geoff . After arriving from England in June '57 we became such good friends and though we lost touch as our careers took different paths, the fond memories of my youth in Edmonton could not have been better. Team mates on Gr.10 City Volleyball Championship team to our "famous" undefeated six man football team , the Golden Royals with Greg as our strong armed QB. A great human being, I was so fortunate to call him my friend.

Tribute from Contessa

Relation: Friend of the family

It's pretty hard to think about Greg without tearing up. He was just an unbelievably awesome human

being. I feel so blessed to have been his friend. He was generous and funny and I miss hearing him tell stories of his life, and of course, share his wisdom and life experience with me. I often ask myself now, what kind of advise would Greg give me? It's hard to believe he is gone. He's been a true inspiration and in my mind, he will always be fully alive. My deepest condolences to his wife Maryjoy and his kids, twin brother Geoff and grandkids. Lots of love.

Tribute from Maida Barnett

Sixty years ago,I was lucky to hang out with Greg and Geoff almost every day during summer holidays. Winter it was badminton and summer it was tennis. Many fun and enjoyable times! So sorry to hear of Greg’s passing. Condolences to his whole family.

Tribute from Alex Columbos

Relation: Friend

Maryjoy, Brooke, Paige, Victoria and the entire Harris family; I was very saddened to hear of Greg's passing, he was a fantastic man and friend who taught and shared with me many key life lessons. His sportsmanship and backhand coaching as it relates to badminton and all sports have been helpful to this day. As I got older his mentorship in what to look for in business, life and friendship have also been very important and helpful. It was always nice to see him and share a chat, it was great to be at his 75th birthday and catch up with him, while he also shared some great stories with all present. He will be very missed, but his spirit, smile and wisdom will carry on and will not be forgotten. All the best to Greg's entire family, friends and loved ones during this difficult time. - Alex Columbos

Relation: Since childhood tennis.

To MaryJoy and the entire family, we send our deep condolences for the loss. Knowing Greg was such a delightful experience. Experiencing his athletic dynamism was our main connection over about 60 years and later he helped with business too. We enjoyed so many social occasions and we cherish our memories of Greg and miss his infectious smile already.
