I am going to miss our long telephone conversations we had, your humour and charm. I am so lucky to have had such a great individual in my life. Even though we lived so far away it always felt you were so close.

I was so sad to hear of Gwen's passing. It is now time to reflect on how lucky we were to have known the strong, witty, and practical person Gwen was. Gwen was a great story teller that highlighted her uncanny sense of humor. It is all of this and more we will miss about Gwen. My thoughts are with the family at this time.
