**Tribute from Lidia and Fatima Correia**

Relation: Family friend

Our sincere condolences for your loss as he was a unique and special person in so many ways and I know will be sorely missed by those in his circle. My mother has wonderful memories of Mr. Petersen especially of his kindness when he taught her English. I remember getting into trouble as a student for talking too much and that stung, but I also remember his humour and graciousness. We will not be able to make it to the funeral, but will be thinking of you during this difficult time of grief.
