Tribute from Ted Cronmiller

Relation: Friend

Many years ago when I travelled to work in the morning I noticed this man walking up the hill past the high school to the golf course sub division. He was so regular I started to wave to him every time I saw him. the occassion soon came that I got to meet Hank. We would have a short chat and on he would go on his walk while I headed in another direction. this went on for several years until I volunteered to assist in the muffin program. When I attended who did I see but Hank. He looked after the muffin pans, muffin papers and scooping the mix. I learned what to do from Hank. He was a very nice man who I admired for his ethic to walk and exercise everyday and also to have a nice chat with from time to time. My condolences to his family Joyce and I will miss him.
