**Tribute from Jim Mac Naughton**

Relation: friend

Dear Blanche- In all the years that I dealt with NAPA in Oliver, you and Harry were my favourite people. Harry always called me " Potato Jim" as most of the early years were buying parts for Anderson's Potato farm up on the Res. Harry was only 4 years older than me, but I always thought of him as real friend and a brother to boot. All of us will miss him. Napa has never been the same since the two of you left there. Even though this is a sad time right now, please know that Harry was loved by all your customers and friends. With lots of love from all of us... Potato Jim

**Tribute from Wayne Rubner**

Relation: Cousin

Dear Blanche and Family. I know that this is a difficult time and we will all miss Harry so much. He was a great guy who always seemed to be happy and willing to help others. I recall all of the trips to Oliver when he, my Dad and I commuted to work together in the summer months when I was in high school. Harry was so easy to chat with and we had lots of good times together. I'm sorry that I can't be in Osoyoos today for the service. I am thinking of all of you.

So sorry to hear of Harry's passing and we are feeling so blessed that we all got to have a visit with him earlier this year, and that he was feeling well enough at that time to come to the reunion.
