Tribute from Meaghan Eremenko

Relation: Niece

Auntie Heather was such a special person. As a child, I thought that she was so beautiful and so well put together and - well... perfect. As an adult I still had the same thoughts about this very special lady. She was always so kind and generous to my entire family. Always a hugs, warmth and kindness. My family enjoyed many special memories with Heather, the most recent was skiing at Panorama and staying at the condo with them. Aisia and Ethan had the best time splashing Auntie Heather in the pools, her mascara and her perfectly well put together self quickly became a soaking wet version of perfect. My kids talk about that trip often and we will all miss Auntie Heather greatly. Our thoughts are with you Uncle Len, Josh and Dion. All our love - Meaghan, Jade, Ethan and Aisia.

Tribute from Maureen Vollema

Relation: Aquaintance/Friend

I am so sorry to hear of Heather's passing. She was a wonderful lady and provided me with Mary Kay products for a good part of the 80's and 90's until she moved to Calgary. I will always remember when Heather asked me to model clothing from a local clothing store at the Edmonton INN that some of the Mary Kay Directors were hosting. She even helped me through a difficult situation at one time. I will remember her fondly.
