Tribute from Judy Dallas

Relation: Acquaintance-formerly with Elks Golden Villa

Was so sorry to read of Helen's passing. She was a wonderful lady, always so very proud of her family showing love and affection for them openly. She had a great sense of humour as well!! You will all have fond memories to cherish. She is at peace now and know you will all honour her memory always.

Tribute from Iris Tweedy

Relation: friend

Condolences to the Miller Family from the Tweedy Family. My husband Glenn milked cows for the Lacey's when he was just a kid, and he and Helen were Tomboys together in their childhood. Helen was my twin(both born 11/22/22) and when we encountered each other over the years we mentioned that. I was a constant customer at Bonnie's "Holland" bakery, and there has been nothing like that since. There were no veterinarians in town so Helen's Dad, Ed, tended everything from cattle to house pets. We know Ma Lacey-Miller was a true Grandma Moses. Your family is definitely the true pioneers leading to the great town and rural area we are today. My love and respect to you all. Iris Tweedy
