Helga was born on April 20 1938 in Liegnitz Germany. She graduated from nursing school,

and started her nursing career in Hamburg. There she met the love of her life and started

to raise their family. The family emigrated to Canada in 1966 and started their new passion,

viticulture. Working alongside her husband in the vineyard and later in the winery gave

Helga the greatest satisfaction. Even in winter, she could be found cross country skiing

through the rows of grapes.

Upon her retirement to Penticton, she continued to enjoy the great outdoors, and

was

especially fond of walks along Skaha beach.

A private family service was held in Oliver on November 24th 2018.
