Tribute from Raymond Kuntz

Relation: Dennis and Irene are my godparents

Aunt Irene prompted us to write something for the Streberg Christmas letter and put much effort in to having us all receive it. That work of love Irene created certainly helped my kids know more of our extended family. I am especially thankful for the copy of "Grannie's Story" she copied and distributed - about another Irene, her mother-in-law and great matriarch. Irene, my aunt, was a loving matriarch also. She adored her grandkids and made regular contact with her nieces and nephews' families too. Be it making personalized 8-tracks of Merle Haggart for a nephew or sharing great family scrapbooks, I have many fond memories of Irene.

I am not a golfer so I never had any special logo golf balls to contribute to her great collection and I only once had Dennis give advice on my swing but it was clear they were truly one, especially around a golf course.

She is a golfing partner, dance partner, life partner and soulmate who Uncle Dennis will sorely miss. Please know that my thoughts and prayers are with you and your family at this sad time, Much love from Kingston (Ray, Helene, Zoe and Maxim)
