### **Tribute from James Taggart**

Relation: College

I remember Ivo from the early days when we were at Geoterrex Ltd. in Ottawa. I was was just a kid starting out.

My condolences to the family on his passing.

---

### **Tribute from Brian Schacht**

Relation: co-worker

Remembering Ivo, memories of good times flow over me like a warm summer rain. As a young geologist moving into geophysics, Ivo became my friend, co-worker and mentor. All the old crew at Geoterrex share fond memories of his tales of Czechoslovakia, his prolonged and animated discussions with Mike Reford about arcane geophysical minutiae, his praise of his old Tatra, and more.
