Tribute from Daana Melissa Hupp

Relation: Friend

I'm so very saddened to hear of the passing of my friend Ryan. He was such a kind man. Ryan was a couple of years older than me and when we were in school he would always make the effort to help me feel accepted and included. That meant a lot to me. As we grew up I always know that he would be to the depot when I would stop by and have a great talk with him. He took me fishing and he was always good to me. Ryan was such a genuine person. I never had to wonder if he was telling me the truth because he was always honest.

I am just getting off quarantine and was unable to attend Ryan's service. To Ryan's family, I'm so very sorry for your loss. Ryan was a good man and the way he cared for people really reflected how cared for he was. Im going to miss my buddy. Rest in Paradise my friend
