Relation: Wife's cousin

Our heartfelt sympathy to the family on Jack's passing. We met Jack and Bernice in 1986 at the home of Bernice's mother (Bernice and I were 1st cousins 1x removed). I was going through training at Depot at the time. We maintained a friendship over the years but eventually lost contact. Jack was a real gentleman. So sorry for your loss.

Tribute from Bill Michael

Relation: friend and fellow Credit Union Director

I am saddened to hear of Jack's passing. My sympathies to the family and to Jack's many friends for their loss of this good man. I liked Jack and got to know him over the many years we both served together on the Osoyoos Credit Union Board. He was always kind and friendly to everyone, cheerful and had something interesting to say. He had an interest in the people he met and conversed easily with them. He'll be missed and he'll be remembered by those who knew him.

Pat and Herb, so sorry to hear of the passing of your Dad. He was truly a wonderful person and always the gentleman. We remember meeting them in Tim Hortons in Penticton one day and sat to have a grand chat with both your Mum and Dad.

Another great fellow gone before us. Jack was a true gentleman and we were so blessed to have known him. He will be missed by many, many folks. He's with the heavenly barbershop chorus now and of course his beloved Bea. Our thoughts are with you Pat and family.

It is with a sad heart that I found out about Jack's passing. We will miss him.

My wife, my Mom and I spent a glorious Christmas with the Becker family when they lived in Oliver. It was an unforgettable experience. While on a vacation trip to Vancouver Island, I had the opportunity to speak with Jack.
