Tribute from Terry & Marlene Bolenback

Relation: Friend of Shirley & the Family

Dearest Shirley, Trudy, Janette, Trish & Families.

I don't even know where to begin telling you how sorry I am for the loss of Jack. When I lost my dad I couldn't imagine a world without him and I feel the same way about Jack. Whenever I think back to all the times I spent at your home the first thing that comes to mind is how much my sides would hurt from laughing and your home was always full of laughter. My heart is hurting for your loss and know that I will always have fond memories of Jack. You are all in my thoughts and prayers at this most difficult time.

Love always and forever, Marlene & Terry.
