Tribute from Caroline Fransen

Relation: Friend of the family

We were so sad to hear of Jackie's passing. It's been a hard year losing uncle Len and now your mom. Family gatherings will not be the same at Dry Creek Ranch without them. So many good memories from since we were kids. I still can picture your mom and her contagious laugh (usually accompanied with Auntie Donna!). Never gave a thought that these things would come to an end at the time. So we have to keep that in mind as we continue on with the friends and family who are still here with us now. Let's always stop and take the time for friends and loved ones because our time here is short.
