Relation: A friend from many years ago

Dear Scottie, Ricky, Arlene and Barbara,

I was so saddened to hear about the loss of your great wife and mom. Even though I had not seen her for many years, I have always remembered the many great times we had working on the paper and our great night time conversations. And of course I always appreciated it when Jackie came down to help me clean the hotel dining room at night when my shift was through. She was a very dear person who helped to make the world a much better place for her having been in it. We all send our thoughts to you at this time. Betty Courtney and family

**Tribute from Marion Kaban**

Relation: Friend of the family

I was very sad to hear of Jackie's passing. I have some very fond memories of her going way back to the P&J days and over the years watching hockey in the Logan Lake Arena. She always had a smile for everyone and usually a story or two! My deepest condolences to all of you.
