Tribute from Nunes-Pottinger Funeral Service Staff

Nunes-Pottinger Funeral Service Staff send our condolences to family and friends.

Tribute from Eric & Connie Meth

Relation: Longtime friend of 31 years

I have known Jacqui through her husband Bob for more than 30 years. From Montreal, Eastern and Western Ontario and now Osoyoos, BC. She was a driving personality that had a motto of "keep up or get out of the way"!

Fantastic Bridge Player, phenomenal dog lover (as evidenced by the many over the years (remember Bear?)), a mother, doting grandmother and Super Daughter to Al and Joan.

Also very connected to her her brother Peter and sisters Suzanne, Louise and Cathy. She was very much part of life.

It is a shame she passed away so young, in the prime of her life, and typical Jacqui, she did NOT go quietly, but fought to the end.

Jacqui, Rest in Peace, with love from Connie and Eric.

Tribute from Rolf Callies

Relation: Former colleague

I have fond memories of Jackie as we worked together at DBM for many years.

To Robert and the family, our sincere sympathy for her passing.

Tribute from Deborah Hoover

Relation: Through her daughter, Sharon Whitmore

It is sometimes said that time is our greatest healer. So, here's hoping that with time the grief you are feeling today will be replaced with memories of all the happy times spent with Jacqueie, and you will have reason to smile again.

With our deepest and most heartfelt sympathy to Bob, Sharon & Rob, and all the extended family - Les & Debbie Hoover
