

REMEMBERING
Jacquie Mabel Perceval

June 18, 1937 - March 6, 2024

It is with great sorrow that we announce the passing of our beloved Jacquie.

Jacquie was born in Vancouver BC, one of eight siblings. She grew up in Pender Harbor, BC, and spent her adult life in areas that included Vancouver Island, North Vancouver, and the Okanagan. She worked part time for Sears, in addition to her full-time job as a house-wife and mother to her daughter, Yvonne.

She is survived by her daughter, Yvonne, and sisters Karin and Pat.

She was an avid golfer, and unbeknownst to many, was a one-time curling champion, having won a curling bonspiel with her son-in-law Steve, daughter Yvonne, and friend Barbie. It was her first and only time on curling ice!

Jacquie had a lifelong yearning to travel, but didn't begin to realize those ambitions until she was into her 70's. Since that time, she visited many wonderful places worldwide, including Hawaii, France, Switzerland, Italy, Greece, Holland, England, Ireland, Estonia, Russia, Finland, Sweden, Mexico, El Salvador, Costa Rica, Panama, the Caribbean and New York City. Of those locations, her favorite was Obersaxen, a beautiful region in the Swiss Alps.
