### **Tribute from Heather (Taylor) Sherwood**

Relation: Niece

Dear Aunt Ruth, David, Kim, Eric and families,  
Bob and I want you all to know we are thinking of you today (as we have been constantly since we got Aunt Ruth's phone call) and praying for each of you. I am holding you all very close to my heart and do so wish I could be there with you today at Uncle Jim's service.

I have such happy memories of the summer visits in Doaktown when we would stay with Nan and Gramp but we kids would spend much of our time with David, Kim and Eric, going through the little path in the woods to your home. Uncle Jim and you, Aunt Ruth, were always so kind and hospitable to each of us.

In more recent years we were so happy to have David and Kelly visit us with Amanda and Lindsay. And Kim, you already know what it meant to me to have you come with Uncle Jim to NB in September, 2009, and to have those visits with you.

I will be thinking of Uncle Jim's beautiful flowers in the service today as I'm out digging in my garden where our plants are just beginning to peep above ground.

Along with Dad, Rob and Andrew, Bob and I give you our heartfelt sympathy but also share in the joy we have knowing Jim is with our Lord. God never loses one of His own. With love,  
Heather

Always showed compation for those around him. I am so very sorry for your families loss Jim always will have a special place in my heart and I will always have fond thoughts of him watching me ride my 3 wheel motor bike in the driveway and just showing he cared with his smiles and laughter. Always willing to listen especially when my parents split up, wanting to make sure us kids were okay. We are all better from knowing him. Rest in peace Jim! my thoughts and prayers are with the family.

**Tribute from Ron & Gail Keith**

Relation: Former co-worker/friend

I worked quite closely with Jim for about ten years or so, when he was the General Manager at Quesnel Forest Products and I was the Office Manager/Chief Accountant, starting in May 1980. Previous to working with Jim, I worked with his wife Ruth at Ernst Forest Products, across the street from QFP. Although there were many trying times working in the forest industry then, Jim always had a great sense of humor and we shared many laughs. At times I played racquetball and ping pong with him, and even though he was 20 years older than I, he was a tough competitor. Jim was always an exciting person to work with. I learned a lot from him, on a variety of subjects, during our many long discussions. Family, dealing fairly and honestly with people, hard work and enjoying life, were all important to Jim. I enjoyed the times I spent with Jim. Gail and I are sorry for your loss.
