Heartfelt condolences to our dearly loved sister/sister in-law Linda and family (Robyn, Trevor and their families), and Jim's son Tom (Kristy), and their family. Jim loved to share his many interesting stories, had a keen sense of humour and was incredibly kind. We will always cherish the wonderful times we have had together, especially this past summer. He will always be in our hearts. RIP

Jim...

You were my Best Friend..

I consulted you with everything, and I took your advice to heart.

I did not realize how much I will miss you until now

It is so hard to find people like you - I thought we were suppose to enter the great unknown together, but you beat me to it! Get settled in and I will see you soon!

Tribute from Ron Leigh

Relation: Friend

I have some fond memories of working with Jim when we were in the insurance business together. Over the years we went our separate ways reconnecting again in 1983 when Jim was president of the Calgary Tourist and convention Bureau and I was on the board. We came together again in Osoyoos recently. Always enjoyed his company. We did have some pleasant times together. To Tom and family please accept my sincerest condolences.
