Tribute from Don Wobick

Relation: Customer (Friend)

I got to know Jim while I lived in Oliver From 1986 to early 1994 as I was a customer of his during that time period. I saw him Jim only once after I Moved to Kelowna & I truly missed our conversations about golf, hockey ' football & all. Jim treated me with the upmost respect as he treated all of his customers & his sense of humor was second to none. When I travel south through Oliver my mind always drifts back to those years & I often wondered what became of Jim -- I am so glad he got the transplant he needed & got those extra years for he truly deserved them. HE WILL BE MISSED.
