Relation: Not known to me personally but I feel privileged to be able to share condolences. Thank you family for posting on ODN

Dear Family of Jason, my heart aches for your loss. I did not know this handsome loving man but I do know the grief and pain his death has caused. I am still numb after losing my 27 year old son last year. Please be kind to each other and grieve as long as it takes. It is a pain like no other. I see a beautiful smiling face and believe he is watching listening and sending you love. I wish I had a magic wand to change your world but sadly I don't. I'm winging you the biggest hugs and deepest respect. Rest In Peace Jason

### **Tribute from Robynne Fraser**

Relation: A teacher in his past

I had the privilege of teaching Jason during my first few years as a high school teacher. Jason was one of those students whom I have never forgotten and from time to time wondered where he was and what he was doing. Jason was so full of life and his smile and laughter lit up the room and he was always surrounded by friends. I am so sad he has passed on and I wish all of his loved ones my condolences.
