Tribute from Dan Wever

Relation: My Dad's cousin

So sorry to hear this sad news. Both my wife & I send our deepest condolences out to all Jean's family. My Dad, (Anson Wever) always said he had a cousin living out west so we decided to take a trip to the Vancouver area & look her up. Jean was a very kind lady who insisted we stay the night in her Chilliwack home. I will always cherish the great stories & memories she shared with us! You will be missed Jean....RIP.

Dan & Vivian Wever of Grande Prairie, Alberta.

Tribute from Linda Smith-Purdy

Relation: Jean's youngest daughter, Christine, was/is my best friend.

I'm so, so sorry to hear of the loss of Jean. Although I haven't seen her for decades, since she moved out west, she had a big influence on me as a child. Jean had an incredible work ethic, entering into projects with all her might, and accomplishing so much, doing multiple tasks at once, such as going to college, building a business, and raising children. (I'm afraid I may have followed her example a bit too much!!) But many people can do these things - the thing that set her apart is her incredible love for her family, especially her children. Her ability to set aside whatever may have been troubling her and provide smiles, hugs, and a kind word for whoever needed it was immortal, as it lives on in her children and everyone else she touched.
