**Tribute from Janet Horiachka**

Relation: family friends

Many fond memories of being a passenger in a logging truck that was being loaded by Joe. As soon as he knew I was in the truck, he would grab it with the loader and shake the supreme s\_\_t out of it, usually waking me up because it would be at an hour of stupid, (like 3 am ). Oh how he would laugh and tell me, I had made his day. Memories like these will keep Joe alive in our hearts. Know that your friends support and walk beside you, and that memories are the greatest gift.....cherish them and draw on them when you are feeling sad,because all you have to do is remember Joe's smile, and it will be sure to bring a smile :)
