

## REMEMBERING Joe McKay

March 18, 1952 - January 2, 2015

### **Tribute from Nunes-Pottinger Funeral Service Staff**

Nunes-Pottinger Funeral Service Staff send our condolences to family and friends.

### **Tribute from Cathy Nystrom-Miller**

Relation: The McKays lived across the street from us when we were all young kids. I've know Joe for 50 years.

I have wonderful memories of Joe as we all grew up together. Great memories of concerts, huge groups of us going to drive in movies, some of us hiding in the trunk of course so that we could get in free. Lots of

evenings playing cards, listening to music and most of all, lots of laughter. Joey was a gentle, sweet guy with a ready smile and lots of love in his heart for family & friends. We didn't see each other much in our adult lives but I always considered him a lifelong friend and knew with certainty that if I ever needed anything he'd be there. I will always have a special place in my heart for you Joey and I will miss you.

### **Tribute from Finn & Judith Jensen**

Relation: ex brother-in-law

Our hearts go out to Erika and Joe's family on his sudden passing away.

Due to illness we are unable to attend his service.

Joe was an intelligent, gentle man, I spent many good times with him fishing and camping, playing pool (what a great player) many years ago. Rest in peace Joe.
