Tribute from Nunes-Pottinger Funeral Service Staff

Nunes-Pottinger Funeral Service Staff send our condolences to family and friends. Our thoughts and prayers are with you all.

Tribute from Marion Boyd

Relation: Friend of Bob & Brita

It was strange to see and talk with both of you, Bob & Brita, so recently and then to come home from Thanksgiving in Victoria to see in the paper that Jack had passed away. He was a fortunate man to have such caring family at his side and I was grateful that you could be with him to the end. Although I barely knew Jack, I felt as if I did through the stories you passed on to me. Know that you are held in sympathy and prayer at this time of loss. Love Marion

Tribute from Lena Thompson

Relation: Nurse Aide at McKinney Place

I want to send my condolences to Jack's family. I worked with Jack while he spent his days at McKinney Place. He was such a kind, smart man that would often tell me of his stories. He would remind me to call him Jack while I called him John all the time. He even told me that he knew a little portuguese. I will miss him and the rest of the staff.

God Bless, Lena Thompson
