Tribute from Zsuzsanna Schnell

Relation: family member

Please accept our deepest condolences from Anna Pferiffer, and family Schnell, all the way from Hungary. I would like to send this song to Joe and his family. This is a bond with his original family here in the home country that needs no explanation:

I am not sure if this is possible, but I would like to send this song for his service maybe, if the family agrees. I know Anna (my grandma) would be happy to know this represented her and us there, not only the language but the lyricstoo.

Thank you.

Tribute from Faye McKinnon

Relation: lived near me on the East Bench

Joe lived on the next street and he always had a friendly hello or wave when he walked or drove by. Missed him when he left the East Bench but still saw him occasionally at the post office. My sympathy goes to his wife and family, especially Emmerick and Elaine.

...and some days life is just hard and some days are just rough... and some days you just gotta cry before you move on... and that's okay.
