The Nunes-Pottinger Funeral Service & Crematorium Staff send our condolences to family and friends.

**Tribute from Tamela Edwards**

Relation: Friend from Church

I will always remember Julie for her ever present sweet smile and kind personality that was sprinkled liberally with a quick wit and clever sense of humor. I will miss you Julie and all the times we would meet in random places around town. Our condolences and prayers to her family during this most difficult time.

**Tribute from Willard Mitchell**

Relation: Long time friends

Julie was a valued friend and example. We related to Julie and Glenn because of Full Gospel Bible Institute and Moose Lake Gospel Camp which were some of their earliest areas of ministry. She maintained many friendships through short telephone calls and assurances of her prayers for us. May the Lord give grace and peace to Barry and Sandra.

**Tribute from Marian McLean**

Relation: A dear friend

Julie & her husband pastored the church where my family grew up in Grenfell Sask. She was very close to my husbands family & they loved her dearly. She was such a kind & caring person who was always there to help anyone in need. We pray Jesus will comfort your hearts as you grieve her going home
