Nunes-Pottinger Funeral Service Staff send our condolences to family and friends. Our thoughts and prayers are with you all.

Tribute from Randy & Val Torgrimson

Relation: Ralph was a special friend

Although we've only known Ralph for 6 years we'll miss him greatly. He was like one of our own family and we always looked forward to the time he spent here in Dawson Creek with us.

Tribute from Mavis Downie

Relation: Through my mother

I am unable to be at the service to speak in person. However I want to voice my opinion. For those who took the time to visit and get to know Ralph you will know he was a wonderful man, giving and caring, loved by many, well thought of and well respected and brought joy to all around him. He fit in very well with my family, enjoyed all activities and interaction plus he made my mother Carolyn very happy, but she also returned much to his happiness. They really were a team! And now it is time to say goodbye to Ralph - may he rest in peace with no more pain and discomfort. Life goes on and he will continue to live in our hearts. My sympathies to all who will feel this loss. Mavis Downie
