**Tribute from Marc Bernat**

Relation: Client

I had pleasure working with Justin and he really made an effort to get to know you and ask me how border collies are doing as example.

**Tribute from Karen (Red) Mason**

Relation: Friends

Justin was a colleague and friend. I met him when we worked together at Nedco and we stayed in touch over the years. I had the pleasure of talking to him a short while ago and it was like no time had passed. Morty, you are missed by family, friends and colleagues. I hope you are resting well and riding the biggest rapids. Red.
